

ALTERNATE HOUSING GREENVILLE HERITAGE REGIONAL

We're glad you are coming to Greenville! We have contracts with several alternative hotels to the Hyatt this year including one within walking distance. The Westin is a few blocks down Main Street from the Hyatt and is walkable for those who do not mind walking uphill to play bridge. There is also a free trolley that stops at the Westin. They can give you the schedule if you ask. Another note about walking distance hotels for you to consider is that most of the alternates are a direct shot to I-385, which ends directly into the parking garage at the Hyatt. Those with handicapped partners can let them off at the front door of the Hyatt, park, and play. The City of Greenville has many public parking facilities including the parking garage at the Hyatt. The maximum PER DAY fee is \$7.00 which does not include in and outs. Parking fees for two visits to town should still not exceed \$10.00 a day. If you choose to play two sessions, there are plenty of excellent downtown eateries within walking distance
